## MAY 2024 MAGAZINE UPDATE FROM CENTRAL BOOKS

There have been several changes going on at Central Books that have changed the list of magazines we handle. Antenne Books are no longer distributed by Central Books. Public Knowledge Books, a new agent for magazines and books about art, photography, design and fashion, is now working with Central Books. Public Knowledge Books have taken on many of the magazines that were with Antenne Books. We hope the list below will help retailers see which magazines we distribute; the list includes all the current Public Knowledge magazines. On pages 5 and 6 is a list of what is still handled by Antenne Books and therefore no longer by Central Books.

This is our list at the beginning of May 2024, to keep up with changes, including prices visit [www.centralbooks.com](http://www.centralbooks.com).
